Multiple hills throughout the course make for a strong challenge, including a steady incline for the first 100 yards of the race. The finish area is flat and allows for a fast sprint at the end.

Spectator Parking: All spectator parking will be in a farm field near the Baertschi race course. This will be the only parking allowed, as roadside parking isn't allowed due to safety concerns. Please pass on the information that ALL spectator parking will be in a farm field & directed by the Albany Fire Department.
