Concessions, T-shirts, and Restrooms: We will have concessions this year, run by our parents of the students-athlete. We will also be selling meet T-shirts as well. There will be restrooms available across the street. Note: restrooms will not be disinfected after each use, so use will be at your own risk.

Team Areas: Teams may set up tents or “camps” where they deem appropriate, just keep team camps spaced out from other participating schools.

Starting Area: Only runners, coaches, and officials will be in the starting area.
