AccuRace Timing Services will time and score the meet.

- Results: www accuracetiming.com
- Entries: wi.milesplit.com
- Entry Deadline: Noon, Wednesday, September 23rd

Coaches — please double-check that athletes are entered in the correct race. If an athlete is entered in, for example, the 7th Runner race, they must run in that race — running in the wrong race will mess up their time.

Feel free to look at past results and place your athletes in the races that give them the best chance to be successful.
