1 Mile
(2nd loop)

The diagram shows a running route on an aerial view of a sports field. A baseball field is on the left, and a track is on the right. A 'Start' point is marked between them. A 'Finish' point is marked to the left of the baseball field. A route is indicated by white arrows: one loop goes from the start, around the track, and back to the start; a second loop goes from the start, around the track, and then around the baseball field back to the start. A third loop goes from the start, around the track, and then continues around the perimeter of the entire field area back to the start. The labels '1 Mile (2nd loop)' and '1/2 Mile (1st loop)' are placed along these paths.

1/2 Mile
(1st loop)

Start

Finish

Run Loop Twice, 1.5 miles
