RE: Spooner Cross Country High School & Middle School Invitational

Date: 9/3/26

Dear Athletic Directors and Coaches,

AccuRace Timing Services will be providing the timing and scoring for our invitational this year. All meet entries must be submitted through MileSplit at wi.milesplit.com. Please note that the deadline for entries is noon on Tuesday, September 1.

A coaches meeting will be held approximately 3:30 PM and the meet will begin with the middle school race at 4:00 PM, followed by the boys high school race at approximately 4:30 PM, and the girls high school race at approximately 5:00 PM. Awards will be presented immediately following the conclusion of the girls race.

Awards will include plaques for the top boy and top girl runners, as well as the top overall team. High school runners will receive medals through 10 places, and middle school runners will receive medals through 10 places. The entry fee is \$125.00.

Teams will not need to designate their top seven runners when submitting rosters.

Meet officials for this year's invitational will be Walter Kurkiewicz and Terry Zais.

We look forward to hosting your teams and appreciate your participation in this year's event.

Sincerely,

Terry Otradovec
